

## Integration of virtual patients

Thank you for participating in this evaluation survey. The purpose of this questionnaire is to provide us with feedback on the quality of the integration of the virtual patients collection you have just completed. Please share your experience with us so that we may continuously improve. Select "n/a" (not applicable) in case a question is not relevant in your context. We would really appreciate that you answer all the questions.

There are 28 questions in this survey.

### Personal data

#### Your age

Only numbers may be entered in this field.

Please write your answer here:

#### Your gender

Choose one of the following answers

Please choose **only one** of the following:

- Female
- Male
- Diverse
- Prefer not to disclose

#### Year in medical school

Only numbers may be entered in this field.

### Integration of virtual patients

I felt well informed about how the virtual patients were integrated into this course. \*

Choose one of the following answers

Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Somewhat agree
- Strongly agree
- Neutral
- N/A

The chronological order of the virtual patient work and the corresponding teaching events was well thought out \*

Choose one of the following answers

Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The time spent on the virtual patients was well balanced with the time spent on the corresponding teaching events. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The content of virtual patients and the corresponding teaching events complemented each other well. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The corresponding teaching events gave me an insightful learning experience, which I would not have had from the virtual patients alone. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I think that learning with the virtual patients is important in order to do well in meeting the learning objectives of this course. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I had easy access to the virtual patients at my convenience. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The teachers helped me to assess my learning during the corresponding teaching events. \*

❶ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The teachers facilitated the further development of my clinical reasoning skills during the corresponding teaching events. \*

❶ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The teachers were well prepared for the corresponding teaching events (including familiarity with the virtual patients). \*

❶ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I was actively involved in critically weighing pros and cons for explanations given by other students during the corresponding teaching events. \*

❶ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I was actively involved in applying my newly gained insights in clinical reasoning, during the corresponding teaching events. \*

❶ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I was actively involved in refining my clinical reasoning skills during the corresponding teaching events. \*

🗳️ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The quality of discussion during the corresponding teaching events was good. \*

🗳️ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I felt secure enough to openly discuss even my shortcomings (e.g., my mistakes while working with virtual patients) during the corresponding teaching events. \*

🗳️ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I felt a positive climate for learning during the corresponding teaching events. \*

🗳️ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

I felt like part of a 'community' during the corresponding teaching events. \*

🗳️ Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The combination of virtual patients and corresponding teaching events enhanced my clinical reasoning skills. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

The combination of virtual patients and corresponding teaching events made me feel better prepared to care for a real life patient with this complaint. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

Overall, the combination of virtual patients and corresponding teaching events was a worthwhile learning experience. \*

Choose one of the following answers  
Please choose **only one** of the following:

- Strongly disagree
- Somewhat disagree
- Neutral
- Somewhat agree
- Strongly agree
- N/A

Special weaknesses of the overall virtual patient integration into this course: \*
